Mental Health and Safeguarding Conference

Course outline

This Conference focuses on mental health from a range of perspectives and with a particular focus on key practice challenges for health centres and safeguarding teams.

SACPA and HIEDA promise to bring a day packed with expert speakers from a range of disciplines and perspectives who aim to inform, challenge, and invigorate on the subject of mental health and safeguarding.

SACPA and HIEDA will facilitate questions directly from members to our experts throughout the day and encourage delegates to come prepared with questions for our panels.
